## Our Products

# Customer Speak

"Thank you for the continued good work on the ERP and Supply Chain project. I appreciate how you leverage the teaming with cross cultural teams with low cost geography for developmental resources while not compromising on the quality of deliverables to business..."

Massimiliano A. Milani  
Director Europe & Africa at Federal Mogul, Antwerp, Belgium

"I had been using RheinBrücke team as my extended arm for some time now and I have really come to appreciate their depth of technical and functional knowledge of the product and their commitment to our end customers' needs. They react quickly to new challenges and are always there for me to rely on."

Craig Stephens  
Vice President-International Consulting at Epicor Software, United Kingdom

"We have been working closely with RheinBrücke to roll out our Power-plant analytics solution. We were able to very quickly implement this solution that gives us holistic visibility of the plant performance."

Rajesh Zoldeo  
Chief Commercial Officer, TPCIL & Sembcorp Gayatri Power Projects Ltd.
